Subject: Sampling Request
Attachments: GW Sampling Request to NG 3Apr17.pdf; smime.p7s

Ed,
Attached is the Navy's request that Northrop Grumman sample 17 additional monitoring wells that the Navy has installed to evaluate the OU2 plumes.
I am aware that ARCADIS is getting ready to begin the second quarterly sampling event. Please consider adding these wells during this sampling event.
Thank you for your consideration,
Lora Fly
